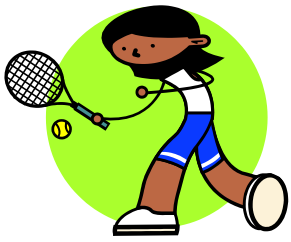
Camp Agenda

BEGINNERS

Players in this group are new to tennis or are unable to rally or serve. Camp coaches will stress the fundamentals of the fore-hand and backhand ground strokes and will teach players how to hit topspin and use racket control. Campers will participate in drills and play court games, both of which are designed to build interest in the game. The campers will have a lot of fun on the court and learn many tennis concepts along the way. We take ages 5 and up and have a variety of students at all different levels.



All entries will be accepted
